Madrid, 10th June 2004

Dear Confrere,

I was not been able to reply your e-mail of 29 May, before, because I required a careful translation. You will understand that I would like clarification of your attendance at a bogus meeting at Loreto organised by Mr. Galloppini. Also, much has been written by Inovius about the meeting in Vienna. How can an expelled member be a spokesman for such a meeting? I would welcome your comments.

Atavis et Armis

Grand Master
